Gadgets Boy is one of the UK's most influential online tech experts.

He was recently Head of Tech at Unilad (one of the worlds fastest growing digital media companies) and amassed 4.5 million likes/followers on the tech Facebook page alone.

Gadgets Boy works with international brands to launch, review and unbox new products by creating engaging online content that reaches and influences massive audiences. A passion for shooting video and photography he creates the highest quality of meaningful content.

Brands that Gadgets Boy has recently worked with include 3Mobile, Red Bull, Carphone Warehouse & Samsung.

In January 2018 Burton's Menswear announced Gadget's Boy as the face of the new SMART COLLECTION. A clothing range designed with tech in mind.
