Jacqueline Jossa has played Lauren Branning in BBC Soap EastEnders for the past seven years.

During her time, Jacqueline has been thrown into the heart of Albert Square, becoming one of the soaps most loved characters.

Jacqueline's performances received critical acclaim as she tackled challenging topics – such as dealing with alcoholism, supporting her on screen mother through cervical cancer, crime, friendships and turbulent love affairs. She has provided some of the most gripping story lines and most talked about moments in the soap's history.

Jacqueline departs from EastEnders at the end of 2017.
