

NICK WINSTON

"Nick Winston, who has been earning his dues in regional theatre, is fast turning into one of the best stage choreographers we have. Really wonderful work!" **Mark Shenton, Sunday Express**

"Nick Winston, who choreographed the magnificent *Pinocchio* for Opera North here in Leeds, has the adult chorus dancers using the traditional jumps, kicks, twists & twirls of the period, the 1930's & he throws in some neat tap dancing" **The Stage**
