## How about Breakfast at Tiffany's?

PIXIE LOTT shows off her skills on the guitar as she plays Moon River to fans in Trafalgar Square.

The singer, 25, performed the classic – sung by Audrey Hepburn in *Breakfast At Tiffany's* – for *West End Live*, a two-day celebration of the London theatre scene. Lott is appearing as Holly Golightly, the role played by Hepburn in the 1961

film, in the West End adaptation of *Breakfast at Tiffany's* at the Theatre Royal Haymarket from June 29. Former *Les Misérables* actress Samantha Barks, currently promoting her self-titled album, and Beverley Knight, far right, who plays Rachel Marron in *The Bodyguard*, also sang to fans.
