

# 'It would be nice to have a little girl'

Former Girls Aloud singer Kimberley Walsh chats to us exclusively about her sons' playdates with pal Cheryl's son, Bear, and says she's up for having another baby with hubby Justin in the future...

**W**ith a busy workload and being mum to two children under the age of three, we're surprised Kimberley Walsh had a spare half an hour to chat to us.

The former Girls Aloud singer, 36, welcomed her son Bobby, three, in 2014 with her partner of 11 years, ex-Triple 8 star Justin Scott, 35.

The couple tied the knot in January 2016, and celebrated the arrival of another boy, Cole, in December that year.

But despite clearly having her hands full, Kim's career hasn't slowed down. In the past few months, she's filmed scenes as Claire Butterworth for the second series of Channel 4 drama *Ackley Bridge*, collated a selection of songs to perform in London at the end of the month, and set up children's clothing company Kimba Kids.

Here, Kimberley tells us how she's not finished adding to her brood, and says talking is a crucial factor in relationships standing the test of time...

## HOW IS LIFE AS A MUM OF TWO LITTLE ONES?

It's definitely a shock! I don't have enough eyes or hands to do everything. But I love it. They're mini versions of me and Justin. You're never lonely – even when you want to be alone!

## WHAT ARE THEIR PERSONALITIES LIKE?

Bobby's quite an extrovert, very confident and funny. He's an old soul. Cole is more reserved. He's still quite sociable, but he's more of a mummy's boy and likes to know where I am at all times.

## DO THEY GET ALONG WITH EACH OTHER?

They have their moments, but Bobby's really protective of his little brother. Cole got pushed over in soft play and Bobby marched over and said, 'Excuse me, you pushed my brother over!' I was like, 'Oh, God.'

## WOULD YOU LIKE MORE KIDS?

I don't think we're done, so there might be another baby, but not yet. I

suppose it would be nice to have a girl. My sister's got three boys as well, so the poor kid would be under serious pressure with five older boys watching over her!

## DO YOU AND JUSTIN STILL HAVE DATE NIGHTS?

Not as much as I'd like, but we're happy to just have dinner together and watch *Love Island* when the boys are in bed. We have a few hours to talk in the evening. I think once you stop talking, that's when the problems start.

## DO YOU HAVE PLAYDATES WITH CHERYL AND BEAR?

Yes. Cole used to see Bear as a baby, but now Bear's running around as well, and Cole's thinking, 'Oh, actually, he's like my little friend.' It's really cute.

## DO YOU HANG OUT WITH CHERYL AND NICOLA A LOT?

We do. It's nice to spend time together. Nicola [Roberts] doesn't like to go too long without seeing the boys, which is really sweet. They love her – she's like an honorary auntie. Bobby calls her 'Nicholas', but she says she quite likes it!

## COULD WE EVER SEE A GIRLS ALOUD REUNION?

We all have a lot of love for the group, so I'm sure at some point we'll all want to do something together.

## TELL ME ABOUT YOUR BRAND, KIMBA KIDS...

The lack of variety in children's clothes is really dull, so I created the brand with my brother, Adam. Bobby loves the camo-print tracksuit, which is my favourite as well.
