## RON IS SMACK ON CUE

**FREED** jallbird Ronnie Mitchell is back in Albert Square and wastes no time in rekindling her romance with ex-hubby Jack Branning.

The pair get together in a steamy clinch as they give each other a smacker at the R&R after Jack, played by Scott Maslen, reveals he is still in love with his old partner.

It seems that Jack has gone back on his word that he wouldn't forgive his blonde ex – played by Samantha Womack – who was locked up for kidnapping baby Tommy Moon.

Their moment of passion will be aired in tonight's *EastEnders* on BBC1.
