

# Gary Delaney

*Stand up / Writer*

Gary Delaney is widely regarded as being the most quotable one-liner comic in the country. He projects the barely hidden delight of a cheeky schoolboy and the audience can't help but be carried along by his infectious charm.

A regular guest on *Mock The Week* and *7 Day Saturday*, plus appearances on *Dave's One Night Stand*, Twitter-based panel show *Ten Million Comedians*, Channel 4's *Robert's Web*, *Loose Ends* and *Russell Kane's Whistle-Stop Tour*.

Gary has also written extensively for TV and Radio including, *8 Out Of 10 Cats*, *League Of Their Own*, *10 O'Clock Live*, *The British Comedy Awards* and *The News Quiz*.

His debut show *Purist* was a big hit at the Edinburgh Festival in 2010, selling out every night and receiving many four and five star reviews. He has just finished touring the show across the UK and is set to add more dates later in the year.

Gary will be returning to the Fringe for a full run at The Pleasance Courtyard in 2013.
