

NADIA IS SUCH A TEE-S

By EMMA SPANKIN

RORY McIlroy's rumored new birdie looks great down the middle in this occasional shot.

Model Nadia Farde, 25, gave a tantalizing glimpse of her perfect form as she swooned in an unbuttoned sleeveless shirt.

She rounded off the look with studded black pants, dog tags and hole-y fishnet tights. In another snap, she posed seductively in a leather jacket and hat.

Nadia has been linked with 25-year-old Rory after he ended his engagement to former World tennis No.1 Caroline Wozniacki.

The sportsman, right, is going for glory at The Open this week, where he led after day two. And yesterday he encountered ANOTHER birdie — a pheasant on Merseyside's Hoylake course. See SunSport
