# Neil Henry's IMPOSSIBLE

The world is amazing when  
sprinkled with just a bit of magic...

Directed by Russell Labey

Neil Henry treats the impossible as more of a suggestion than a rule, transporting you to an unforgettable world of the unfeasible and unreasonable - it's impossibro. Here's the thing, it's not just Neil who does the tricks, when this impostificatious mindbender gets to work you will discover that you can do magic. Enchanting, endearing, amazing and amusing; as 'London's mighty sorcerer' (*Time Out*) takes to the stage... Prepare to be impossibified! In Neil's magical, funny and unforgettable show, everything is possible and nothing is as it seems!

Magician Neil Henry works extensively as a close up magician and is constantly in demand to perform his breathtaking magic and mentalism worldwide - in fact he is currently on a sold-out three-week tour of China that ends just one day before the Edinburgh Fringe Festival begins!

Neil has performed at private parties in front of many major stars, including Colin Firth, Robert De Niro, Hugh Laurie, Ant and Dec, Harry Enfield, Ronnie Corbett, and for HM The Queen at the Royal Variety Performance.

Neil is a popular magic MC and performs his own magic monthly for the Magic Night at the Soho Revue Bar in London's West End.

In his other guise as an actor, you may recognise Neil from ITV's *Fortysomething*, where he starred with Benedict Cumberbatch and Hugh Laurie. He also starred in *My Family* and *2.4 children* and played "Beans" in the Nickelodian comedy *24 seven*.

A YouTube HD Disapearing Camera Trick Challenge Neil recorded has now been viewed 1.7 million times - watch it here and see if you can figure it out!
