

Tom Ward

He was fantastic... People now want us to have a 'three best dressed accountants' section every year! - PQ Magazine Awards Graham Hambly

We and our guests loved Tom, he was funny, interactive and very professional during awards section and really personalised the event for us. We loved his research and interaction with our guests which was done with humour but no offence and we are delighted thank you. - Brilliant Marketing Solutions Karin Allfree

Thanks for getting in touch. The event went so so well and Tom was GREAT! It was a tough gig and he held his own, really got the crowd engaged and actually seemed to have done his research. I'm not sure a lot of other comedians could have done it!
