DUBIKS (ONLINE) – 20<sup>TH</sup> JANUARY 2017

The world's most successful musical theatre group, Collabro, are set to release their highly anticipated third album 'Home' on 3rd March 2017, through their own label **Peak Productions**.

Setting up their own record label and becoming fully involved with marketing and promotion, is giving the band the opportunity to have complete creative control over their own music and the way its released; from unveiling the album track list as a digital advent calendar as a Christmas present to their fans, to setting up an online poll for fans to choose the tracks that would make the final cut of the new album.

The new release marks their debut as a quartet – exactly 1000 days after they won Britain's Got Talent – Jamie, Matt, Michael and Tom feel this album "is a reflection of us coming home"; full of musical theatre classics, the genre that won them the biggest share of the vote as well as winning the hearts and minds of the British public.

Lending their hand-picked selection of favourites, 'Home' features musical classics from stage and screen that include the iTunes instant gratification track 'This Is The Moment' (from the sensational Jekyll & Hyde chosen by fans by an online poll), 'Beauty And The Beast' (taken from the iconic Disney film) and 'Oh What A Night' (featured in the West End smash hit, The Jersey Boys). The album also features one original track 'Lighthouse' written by Ben Adams formerly of BRIT Awards-winning boyband A1.
