

JAMES CABOOTER'S  
**WIRED**  
with SAM MAYERS *All week*

THAT'S SUCH  
A LOTT OF  
CHANGES!

★ **PIXIE Lott** lived up to her surname by showcasing three outfits in just one night!  
The Mama Do singer performed at London's Hard Rock Cafe and revealed she has snared Top 10 act **WSTRN** to write on her new album.  
★ Pixie, 24, was joined onstage by the band to perform their smash-hit *In2* before she dueted with **WSTRN's Akelle** on new song *What Now*, which could feature on her upcoming album.  
She told me: "We don't know what's going in the album yet, we have had one session but we have more studio time booked." **WSTRN** told me: "We'd prefer it happened organically rather than like business. You have to let the relationship be natural."
