### FASHION MUST-HAVES

“I always pack a good pair of sunglasses. Essential if it’s bright, and they help hide tired eyes in the mornings. I also like to bring a cute little rucksack or satchel to carry my phone and make-up essentials.”

### Festival style crush

“Kate Moss – she always looks effortlessly cool at festivals.”

### TOP STYLE TIP

“No matter how sunny it is, bring a jacket, because it always gets cold in the evenings. And wear thick socks with wellies. It’s horrible having cold and wet feet if the weather isn’t good.”
