

COLLABRO: Home (Peak)

Daily Mail 3 Mar 2017

DUBBED ‘a class act’ when they won Britain’s Got Talent in 2014, musical theatre group Collabro have since parted company with Simon Cowell, but this third album suggests a gainful career beyond reality TV. The quartet display terrific technique, though this collection of show tunes is shackled by hopelessly safe song choices. Oh What A Night is tackled with poise, but Send In The Clowns and That’s Life are blunted by familiarity.
