

Kimberley cut an elegant figure on the red carpet

Kimberley: 'I want another baby!'

Looking as elegant as ever on the red carpet, Kimberley Walsh stopped to chat to GLG about all things babies and Girls Aloud. The 35 year old, who was with her mum, Diane, told us she'd love to have another son, despite having her hands full with her two boys, Bobby, three, and Cole, 10 months.

While she confessed Cole is already becoming BFFs with Cheryl's six-month-old son Bear, Kimberley politely declined to answer when we asked if Bear has inherited his looks from Chezza or dad Liam Payne. But she did tell us what the chances are of her former Girls Aloud pals Cheryl, Sarah Harding, Nadine Coyle and Nicola Roberts reuniting on stage. And her response might surprise you...

Has Cheryl adapted to motherhood well?

She's amazing, which I knew she would be.

Are Cole and Bear destined to be best friends?

Obviously I see her all the time and the boys are getting to know each other, but Cole is pretty much trampling all over Bear at the moment. I'm like, "Get off!" He's crawling and Bear isn't quite at that stage, but it's lovely. They're good together.

Would you ever have another baby?

I think I've probably got another one in me somewhere at some point. I might have to be stopped because I just love babies.

Would you like a girl?

I would, but I just love my two boys. It's a weird thing. I just always thought boys were cuter. I think I would prefer a boy.

What do you think about Danielle Lloyd saying she'd consider gender surgery to have a girl?

You know what, I really think that's such a personal thing. Some people just have a real desire.

Did you watch Sarah on CBB?

I didn't see much of it, but I'm really happy that she won. I think it's amazing. I'm really happy.

Would you ever consider going into the famous house?

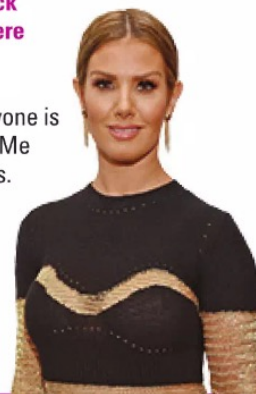

To be honest, it terrifies me. I feel claustrophobic just thinking about it. I think Sarah was so brave to go in there, because to me, that's really quite a scary thing. I'd be very aware that I was being watched. Fair play to her for going and doing it.

How about Chad Johnson? Do you think he's a nice-looking guy?

I think he seemed nice, actually. I mean I don't know – I didn't see much of him – but he seemed nice enough from the little bits I saw. To be honest, I really wish her well. I just want her to be happy. So if he's making her happy, then that's all right.

Nadine is also coming back into the spotlight. So is there any chance of a Girls Aloud reunion?

I don't know. I mean, everyone is quite busy at the moment. Me and Cheryl have the babies. Sarah and Nadine are doing their thing, and Nicola is constantly busy writing, but you never know, do you? It's not really the right time now.
