DermaBlend Corrective Foundation
£16, by *Vichy*, from boots.com. I love this product as it's kind to the skin and doesn't contain any harsh irritants or impurities. It's also light, and looks completely natural

Lucid Facial Brush

£49.99, by *Magnitone*, from lookfantastic.com. Hectic schedules can take their toll on my complexion, so it's vital for me to maintain healthy, radiant-looking skin. This is the solution

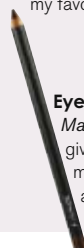

#HIGH STREET HIT

Watt's Up Face Highlighter £24.50, by *Benefit*, from debenhams.com. You can use this on its own or over make-up. It helps to give my skin a dewy sheen

Masterpiece Mascara

£9.99, by *Max Factor*, from superdrug.com. This works like a comb and separates the lashes while adding lots of volume and oomph. It's my favourite mascara

Eye Pencil in Coffee £14, by *Mac* (maccosmetics.co.uk). This gives a great smoky effect to my eyes – and has the perfect amount of smudge
