

Lott of extra practice for Pixie

STRICTLY Come Dancing favourite Pixie Lott brought her partner Trent Whiddon to Edinburgh yesterday to keep up with rehearsals for tomorrow's TV show.

The singer, 23, was at the Forth Radio awards at the city's Usher Hall where

she performed her new charity single Caravan of Love.

But there was no escape from training as they honed their routine. Pixie said: "I'm really excited because the Charleston is one of my favourites."
