

# LOTTA OUTFITS, PIXIE

8:20PM

Pretty in pink . . . star in latex dress

8:50PM

MIDNIGHT

Last look . . . Pixie in two-piece

**IT** was all change for Pixie Lott as she wore three outfits in one night. The singer, 24, arrived in a skin-tight latex dress to perform at London's Hard Rock Cafe on Tuesday. She then slipped into a see-through shirt and hot pants, *right*, and later a blue and red two-piece. That's quite a clothes show.
